Subject: Scheduling FS tools meeting with the LWG (reply requested)
Date: 08/19/2010 08:35 AM

Eric, Chip,

As discussed at last Wednesday's Portland Harbor Managers meeting, we would like to schedule a three hour meeting to discuss FS tools. The meeting would be with a small focused group of FS team members.

Eric - (b) (6). Possibly you can provide your availability to Chip and he can coordinate with the EPA FS team regarding their availability so that we may set a meeting date for when you return.

Dates for consideration are:

Friday, September 10th - morning or afternoon
Tuesday, September 14th - afternoon
Wednesday, September 15th - afternoon
Thursday, September 16th - morning or afternoon
Friday, September 17th - morning or afternoon
Monday, September 20th - morning or afternoon
Tuesday, September 21st - afternoon
Thursday, September 23rd - morning or afternoon
Friday, September 24th - afternoon
Monday, September 27th - morning or afternoon
Tuesday, September 28th - afternoon
Wednesday, September 29th - afternoon
Thursday, September 30th - morning or afternoon
Friday, October 1st - morning or afternoon

I understand that these dates are similar to those under consideration for the three all day BHHRA, BERA and RI comment meetings. Please note that I will work to schedule this three hour meeting on a date that the LWG and EPA teams are not available to hold an all day meeting.

Please let me know if you have any questions.

Thank you,
